stueckelberger@globethics.net

www.globethics.net

1.1 Six Drivers in Leadership Decisions

Authority-driven

Power-driven

Money-driven

Relations-driven

Values-driven

Faith-driven

Content

1. Values
2. Ethics in Higher Education
3. Consortium of Globethics.net

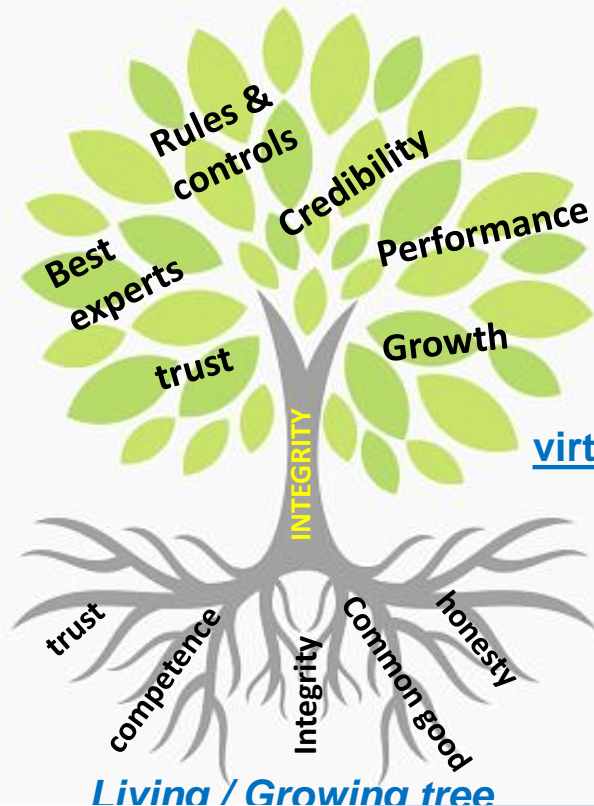

1.2 Values-Driven: The One-letter-Revolution

From **ME** to **WE**

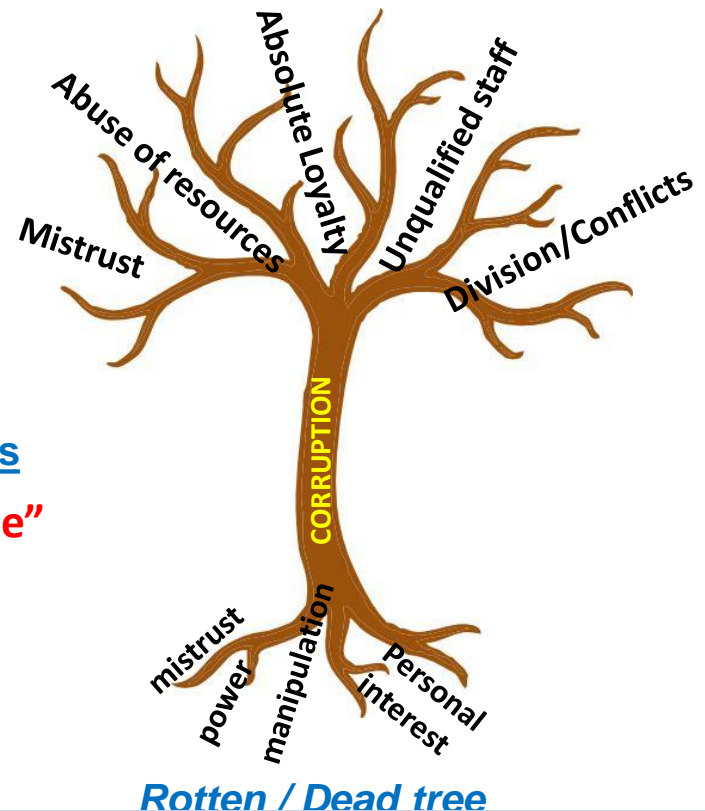

1.3 Integrity: the Capital of a Leader

Integrity Leadership

Abuse-of-Power Leadership

virtues vices
"we" "me"

2. Ethics in Higher Education

- Most of the leaders in the world are a product of higher education
- Ethical quality in Higher education is rather deteriorating than increasing: Corruption, falsified certificates, plagiarism, nepotism in leadership appointments. Reputation damage
- More and more universities recognize situation and want to re-gain reputation, quality, seriosity,

3.1 Stronger together: Global Consortium for Ethics in Higher Education

Globethics.net Global Consortium for Ethics in Higher Education founded in June 2017 in Geneva.

As of 3 Nov 2017:

- **7 Founding Universities**
- **27 Member Universities**
- **together with over 500'000 students**
- **from Europe, Africa, Asia, North America, South America**
- **30 individuals (Ethics Professors/Experts)**

3.2 Programmes and Products of the Consortium

P1 Professional Ethics Training

P2 Teachers Training

P3 Joint Educational Projects (Curricula, Modules)

3.3 Invitation to Russian Universities: Join!

Goal 2018: at least 5 Universities in Russia join the Consortium! You are invited to join!
