Hotel Ashram

I'm looking for peace, meditation,
prayer to guide me
in my priorities.

Two days off in Bangalore in India
between conferences:

Should I visit a Christian or an interfaith
Ashram?

But instead of two times four hours
driving to the Ashram Oasis in the suburbs
stuck in a traffic jam
in this metropolis of millions
I decided to use
the hotel room and spa as
spaces of silence.

Hotel Ashram
